Northern Ontario Lodges Offer a Unique Summer Experience

Spending time in Ontario's magnificent outdoors is a rite of passage. Its rugged wilderness is unrivalled, drawing thousands of visitors every year; but if your experience with the great outdoors is limited to Southern Ontario, have you really experienced the epic wilds this province offers?

Northern Ontario is a vast and stunning region known for its robust and gorgeous landscapes, celebrated by Canada's Group of Seven. No wonder this region is a popular destination for outdoor enthusiasts, adventurers, and nature lovers. One of the best ways to experience the natural beauty of Northern Ontario is by staying at one of its more than 800 lodges, which offers a unique blend of comfort and rustic charm.

Northern Ontario is closer than you think. Sudbury, the gateway to the North, is a half day drive from most destinations in Ontario's southern regions. Plus, a short flight makes most northern cities easily and affordably reached. Be adventurous. Embrace the North.

Don't want to travel too far? Consider **Memquisit Lodge**, 3 1/2 hours from Toronto on the shores of beautiful Lake Nipissing. This lodge offers great fishing, boating, and hunting. Pet welcoming and family-friendly, spend your days outdoors exploring, lounging on the beach as your kids catch frogs or take part in the activities offered throughout the day. This lodge has a fleet of Geisler cedar strip boats and 16 ft. Alumacrafts as well. All-inclusive and housekeeping plans are available.

A little further away, you will discover **Bruce Bay Cottages**. On two private islands 45 minutes east of Sault Ste. Marie, this lodge is the perfect family getaway, fishing retreat, or nature revival. For a truly unique experience, stay in the 1907 McKay Island Lighthouse and wake up each morning to the panoramic views of Lake Huron. Accessible by car, they offer fun packages, cozy accommodations, beautiful scenery, and outdoor adventure. All-inclusive and housekeeping packages are available.

Looking to go even deeper? Try **Ellen Island Camp**. This peaceful lodge west of Haileybury and two hours north of North Bay has everything you need to experience the North. Escape to this serene destination, breathe in the fresh air on Lady Evelyn Lake, and enjoy the calming sounds of loons. This remote fishing

lodge is not accessible by road and offers boat access only. It is known for its clear waters, abundance of fish, and peaceful atmosphere. Housekeeping cabins are available.

For the truly adventurous, there are fly-in camps available. If you really want to get away and reconnect with nature, try **Mar Mac Lodge**. Nestled on the remote shores of beautiful Esnagi Lake, this gorgeous lodge between Sault Ste. Marie and Thunder Bay is an unforgettable wilderness adventure. A remote fly-in or train-in getaway makes this a one-of-a-kind experience. Enjoy the amazing scenery, view wildlife, explore the lake's beaches and spend some time on land walking the nearby trails. Fill your belly with a home-cooked meal each night before settling into a cozy cottage. All-inclusive housekeeping plans are available.

Or travel north of Thunder Bay to **Brace Lake Outfitters**. This remote fly-in-only lodge three hours north of Thunder Bay is a true Northern experience. Brace Lake is a tea-stained colour water (because of its abundance of Walleye, Perch, and Monster Pike). Guided hunting is available, including Archery Guided Moose expeditions. During your downtime, take in the spectacular scenery and the tranquillity of the North; if you are lucky, snap a shot of a bald eagle or the northern lights! Modern and clean accommodations, plus 220 miles of shoreline. All-inclusive or customized plans are available, and housekeeping outposts.

FEAST ON: A CERTIFIED TASTE OF ONTARIO

Top Left: Feast On® certified for a decade, check out Ricky + Olivia at their brand new Leslieville location. You'll find innovative and playful takes on classic favourites, always with Ontario ingredients front and centre.

Top Right: The Common Stove in Orillia, purpose-built around a wood-fired grill. With meat sourced exclusively from Ontario farmers, their farm-to-table ethos lands on your plate and in your glass. Grab a seat at the Chef's Counter to take it all in.

In Ontario, where the flavours of the land meet the craftsmanship of culinary magicians, lies a stamp of approval that should not be missed: the Feast On® program. This province-wide initiative is not just a certification; it's a championing of Ontario's terroir -- a Feast On® certified business invites guests to truly dine under the ethos of "locally sourced", where every bite or every sip tells a story of the region, its people, and a dedication to sustainable practices.

Sixthtynine in Woodstock was one of the first to become certified as part of the program. A natural fit due to their delectable Oxford County farm-to-table affair, owners Eric and Jen Boyer wanted to validate their commitment to local. "We knew the value that this certification would have within the industry and for consumers," says Boyar.

Feast On® is more than a stamp of approval; it's a commitment to supporting the local economy, reducing carbon footprints, and ensuring that the freshest, most delectable ingredients make their way from the farm to your fork. This program celebrates businesses that pride themselves on their partnerships with local growers and producers and crafting it into a dining experience that reflects the rich tapestry of Ontario's culinary landscape.

Chef Joel Gray and his partner Hannah Harradine opened their on-farm restaurant in 2022 and nearly

90% of their menu uses ingredients grown or raised in Ontario. "We have true and sincere relationships with the farmers, artisans, and producers who make our community so incredible. These people give 100% every day and we love celebrating them in each course of our 9-course tasting menu," says Gray of Down Home in Markdale, Ontario.

CERTIFIED RECOMMENDATIONS

- Eat "obsessively local" at TWO Borealis locations
- Get garden-fresh at Eddington's of Exeter
- It's pizza mastery at Atomica Kitchen in Kingston
- Taste the Apple Pie Trail at Bruce Wine Bar
- Savour the north at Radical Gardens in Timmins
- Get hyper-seasonal at the Springwood in Whitby
- Experience world class cuisine at Langdon Hall

DELICIOUSLY LOCAL

Gabrielle Mueller, Marketing Manager at the Culinary Tourism Alliance, emphasizes the growing interest in local food dining among travellers as a powerful tool for connection.

"The full value of eating local foods often goes unrecognized until they are experienced in a communal, appreciative setting like a restaurant or at an on-farm experience," she says.

Mueller believes that eating local offers a unique opportunity for travellers to engage directly with the local community as well as the culture and heritage of a region, enhancing their overall travel experience.

This culinary engagement not only satisfies the palate but also supports the local food economy, the environment, and fosters a deeper understanding and appreciation of the region's environment and social fabric.

EXPERIENCE TASTE OF PLACE

Authentic, off-the-beaten-path experiences are an incredible way to immerse yourself in Ontario's impressive culinary scene, and several Feast On® certified businesses offer just that.

Travellers can experience life as a beekeeper, savour a meal cooked over an open fire, or embark on a guided adventure through some of Ontario's tastiest regions.

Top right: Adventure through the woods with CAMPKITCHEN (formerly RARE Escape) where Chef Tyler Scott leads you on a guided hike to a prepared lunch made over fire.

Middle right: Enjoy an alpaca lunch at Udderly Ridiculous Farm Life

Bottom right: Book a beekeeping experience at Ontario Honey Creations.

To the left: Clink glasses at Lighthall Vineyards- a stop on County Picnic tours!

CERTIFIED RECOMMENDATIONS

- Walk an alpaca and play with the goats at Udderly Ridiculous Farm Life in Oxford County
- Bottle your own honey and help the beekeeper at Ontario Honey Creations in Mulmur, Ontario
- Hit the rapids and finish it off with a great meal with OWL Rafting or Madawaska Kanu Centre
- Enjoy a curated day of tasting your way through Prince Edward County with the County Picnic
- Hike in and enjoy a chef-prepared lunch in the woods with CAMPKITCHEN
- Stay and play with a cooking class at Maison Maitland Cooking School & Villa

THIRSTY? SIP ON THIS

In addition to great restaurants and experiences, you can also wet your whistle on some fantastic craft beverages from Feast On® certified producers who go the extra mile to highlight Ontario ingredients in their beers, wines, spirits, ciders and meads.

"We use 100% Ontario hops in our beer. Not only for freshness and quality, but also to reinforce our mission of creating beer that embodies the local terroir," says Gail Winters, Co-Founder & Chief Farming Officer at Goodlot Farm & Farmstead Brewing Co.

This hyper-local focus is intertwined with their regenerative farming methods, which are designed to have a minimal environmental impact and foster a more sustainable local ecosystem. Now that's a beer you can feel good about.

CERTIFIED RECOMMENDATIONS

MEADERIES, DISTILLERIES, AND CIDERIES

- The mead made at Heeman's in Thorndale is a must - they use Ontario-grown ingredients like crab apples, strawberries and even kiwi!
- Kick back at Willibald Farm Distillery & Brewery with home-grown brews and cocktails
- Discover West Avenue Cider in Freelon for multi-award-winning ciders made with heritage apples straight from the orchard

VQA WINERIES

- Catch some rays on the garden patio or open air vine house at Oxley Estate Winery
- Prince Edward County wine pioneers, Closson Chase Vineyards, is a destination winery
- The wines are a wee bit cheeky at London Born Wine Co. where the flavours of the UK and Niagara Benchlands collide!

ONTARIO CRAFT BEER

- Say cheers to the craft beer pioneers at Wellington Brewery in Guelph
- Discover Cowbell Brewing Co.'s state-of-the-art enviro-friendly facility
- Get the taste of home-grown organic hops at GoodLot Farm Brewery
- Brews with a view at Trestle Brewing Company

Top: Feast On® certified Heeman's crafts specialty meads and ciders using farm-fresh ingredients from their own property.

Middle: Goodlot Farm & Brewery specializes in beers made with organic hops straight from the field.

Bottom: Oxley Estate Winery, a Feast On® certified stop that specializes in crafting wines on the shores of Lake Erie!
